APPOINTMENT OF CHIEF EXECUTIVE OFFICER

The Board of East African Cables has today announced the appointment of Mr. Paul Muigai as the Chief Executive Officer and Managing Director. He has been serving in this capacity since 1st September 2017.

Mr. Muigai previously worked for various multinational corporations where he gained a wealth of experience in supply chain management, having worked across the supply chain including logistics, inventory management, procurement, operations, engineering and productivity improvement at various levels up to supply chain strategy.

Mr. Muigai also held Asia-Africa and Africa & Middle East regional expertise in the areas of supply chain optimization and safety, health and environment. He has worked in Singapore and Dubai respectively.

Paul is a graduate of the University of Nairobi and holds a Bachelor's degree in Mechanical Engineering.

The Board is confident that with this appointment, the Company will lead its team to build on its existing strengths for future sustainability.
